Only a few shares are left, so call the office (410-879-1952) or e-mail us info@countrylifefarm.com if you'd like a share before it's sold out. All 3 fillies we purchased at the June OBS sale are sold out, so don't wait to get a piece of this MD-bred, Maryland Million eligible colt!

CLF-sired Winners

Country Life's leading sire Friesan Fire had another good month, with his multiple stakes-winning daughter Fire Key finishing 2nd in the Caress Stakes at Saratoga. He

also had repeat winners Love on Fire, Rescue Five, Refunded, Shecor and Forest Fire; and Scorched by Fire, Reigning Fire and Friesing Waters all broke their maidens in July.

Super Ninety Nine had a streak of winners over the past few weeks as well. On July 7, 2-year-old Tommy Shelby debuted a winner at Laurel for Port Lairge Stables and trainer Henry Walters. Tommy Shelby was bred by Country Life & Moon Map LLC and was sold as a yearling last year. Another Super Ninety Nine 2-year-old, Gifted Heart, won for the second time at Laurel on 7/27 for trainer Phil Schoenthal and the ownership group of Rashid's Thoroughbred Racing, Linda Walls, Rick Wallace and Kingdom Bloodstock, Inc. She is the only 2-year-old at Laurel to be undefeated, and in winning her second straight race she beat the boys, including a highly touted Into Mischief colt trained by Jason Servis. There is special meaning behind this filly's name as well, and it's a must-read story: [Gifted Heart](#). Super Ninety Nine had some 3-year-old winners as well at the end of June. His daughter Wildcattin broke her maiden at Laurel for owner/trainer Tim Shaw and his wife Alicia on 6/28. The next day Homeofthe Lombardi, who sold for \$100,000 as a 2-year-old in 2018, scored his first victory impressively at Laurel for his owner Jagger and trainer Jamie Ness. Homeofthe Lombardi returned to Laurel on 7/19 and won again, drawing off by daylight in another dominating performance. Look for more winners by farm stallions this summer!

Loaded Country Life Racing Stable

The Country Life racing stable is the biggest it has ever been, with eight 2-year-old fillies getting ready to debut and six older racehorses either running or coming off layoffs. Recently in the winner's circle this month were Into Bluegrass, who earned her 3rd win for her partnership on 7/12 at Laurel; and Friesing Waters, who broke her maiden on the turf at Laurel on 7/25 to earn MD-bred bonuses for her owners and the mare's breeding partnership Atlantic Tide LLC.

We're excited about the 2-year-olds in the stable as well. Many have moved to Mike Trombetta's barns at Laurel and Fair Hill to prepare for their racing debut. The first one to enter the starting gate was Bella Aurora, a chestnut VA-bred filly by Carpe Diem that we purchased at the 2018 Fasig-Tipton Midlantic Yearling Sale. In against a highly-touted field that included an American Pharoah filly and a War Front filly, Bella Aurora ran very well to close for 3rd behind two fillies that had previous starts under their belt. Bella Aurora may be pointing for the 2-year-old VA-bred Jamestown Stakes at Colonial in early September.
