## Maiden Winners!

**Freedom Child's** filly Freedom Bella (below left) scored her maiden victory in just her 2nd start at Laurel on March 10th. She did it in dominating fashion, drawing off by 8 lengths for her owner/breeder LGB Thoroughbreds (Linda Walls and George Busche). Phil Schoenthal trains the 3-year-old filly, who was ridden by Angel Cruz. It was a CLF-sired exacta, as the 2nd place runner was a first-time starter by Super Ninety Nine named Wildcattin!

**Super Ninety Nine's** latest maiden winner was Equus Novus (bottom right), a Spendthrift-bred colt who was foaled at Country Life and subsequently sold as a yearling. He was pinhooked into the May 2-year-old sale where Calumet Farm purchased him for \$43,000. He raced a few times in the historic Calumet colors in Kentucky before changing hands to Bing Cherry Racing and trainer Michael Catalano, Jr. His new connections brought him back to the mid-Atlantic and were rewarded with a 2nd, 4th and the maiden victory at Laurel on March 15th with Trevor McCarthy aboard.

## Divining Rod

MG1W Pussycat Doll is just one of the numerous mares pronounced IF to Divining Rod, at 17 years old!

Divining Rod has settled into his new life as a stallion beautifully, and is stopping his mares like clockwork. Not to mention the gorgeous, correct foals he has hitting the ground in his first crop this spring. The future looks very bright for this Graded-Stakes winning, and Multiple Graded-Stakes placed son of Tapit, who was a nose from winning the G1 Cigar Mile and standing in Kentucky.
